STAINED GLASS WINDOW DEDICATED

A new stained glass window, rich in color
and symbolism to be more fully described
later, was dedicated on Sunday at St.
Philip's Church (Episcopal), Mattapoissett
by the Rev. Craig Biddle III. It was the
gift of anonymous donors. Two oppor-
tunities remain this season for worshippers
on Sunday, August 31st, and September 7th,
to view and examine the window, following
the 10 o'clock service of morning prayer and
sermon. Spokesman for its significance
last Sunday was Mr. Edward F. R. Wood,
Jr. of Philadelphia and Mattapoissett.

The window was designed and produced
by the Willet Stain Glass Studio of Phil-
adelphia.

BUS ROUTES

Eight routes (one more than last year) will be in operation this year. Minor adjustments will be made in the routes to accommodate pupils new to the Mattapoisett Public Schools during the first few days of school. All students are asked to be ready for pickup by the drivers earlier than the prescribed time during this period and to continue doing same until the transportation schedules become fixed. All students who live in the center of town and who attend the Old Hammondtown School are asked to report to the Center School by 8:30 A.M. so that they may be transported to that school.

Children attending the kindergarten classes will be transported by parents. Parents are urged to contact Principal Moynihan if transportation is needed for their children so that appropriate car pool arrangements may be evolved.

Parents who will drive children to the kindergarten classes are urged to use the front semi-circular driveway on Barstow Street and not to arrive before 8:45 A.M. If this procedure is followed, all of the buses used

BARBECUED STEAK ROMANO IS COOL ON THE BUDGET

If you can't take the heat, get out of the kitchen and try this backyard barbecue dinner of elegant marinated steaks that, despite today's beef prices, won't cost what you think. That's because the recipe takes chuck, which is less expensive, and turns it into a juicy, tender steak treat. You add the tender-

ness with a pre-blended meat marinade, a gourmet mix of herbs and spices that marinates in 15 minutes. And the deep-down marinade flavor won't burn off even over hot barbecue coals. So try this Steak Romano al fresco, and take the heat off yourself—and your budget!

Barbecued Chuck Steak Romano

3 chuck steaks, round bone or blade bone, cut 1 to 1 1/4 thick

1 package Adolph's 15-Minute Meat Marinade

1/2 teaspoon sweet basil

2 8-oz. cans tomato sauce

1 medium clove garlic, minced or pressed

1/2 cup grated Parmesan cheese

Slash fat edges of steak to prevent curling. Blend contents of marinade package with one can of the tomato sauce, garlic and sweet basil. Place meat in marinade, piercing all surfaces of meat deeply with a fork so marinade will penetrate. Turn steaks several times, and after 15 minutes, remove steaks and drain. Reserve remaining marinade for Romano Sauce. Barbecue steaks

on grill 1 inch above glowing coals, turning frequently until done as desired. While steak is cooking, blend second can of tomato sauce into remaining marinade in a saucepan. Bring to a boil; reduce heat and simmer 10 minutes. Remove steak to a carving board or platter. Brush sauce generously over top and sprinkle with grated Parmesan cheese.

If you would like a free recipe booklet on "How to Marinate Meat the Modern Way," just drop a card to P.O. Box 828, Dept. B, Burbank, Calif. 91503.

a coffee hour and briefing with Principal Allen on opening day. The meeting will be held in the Sippican School cafeteria between the hours of 9:00 - 10:00 A.M.

Parents of children who will enter grade one this year are urged to have their children ride to school by bus on opening day. Parents desirous of assisting their children at school may do so by meeting the children at the school when the buses arrive.

Pupils who will be new to the Marion Public Schools this year and who have not already registered for enrollment are requested to do so on or before Wednesday, September 3, 1969. Principal Etta-Hix Allen will be available to perform the registration and may be contacted at her office which will open each day from 9:00 A.M. to 12:00 M. and again from 1:00 P.M. to 3:00 P.M. On Wednesday, September 3, 1969, the office will be open from 9:00 A.M. to 10:45 A.M. and again from 1:00 P.M. to 3:00 P.M.

The bus routes have been slightly changed since last year. Other minor adjustments will have to be made to accommodate population increases and shifts. Accordingly, all students are asked to be ready for pickup by the drivers earlier than the prescribed time during the first few days of school or until such time as the routes become fixed.

The bus routes are very much the same as those of last June. Minor adjustments will be made on the first few days of school. Accordingly, all students are asked to be ready for pickup by the drivers earlier than the prescribed time and until such time as the routes become fixed.

RESIGNATION ACCEPTED WITH REGRET

The Board of Selectmen in a letter to Norman Soares in response to a letter of resignation stated:

The Board of Selectmen are in receipt of your resignation from the Mattapoissett Police Department dated August 5th, to become effective August 30, 1969.

We are very sorry that you feel you must leave the Police Department and accept your resignation with regret.

We are well aware of the very fine work which you have done as a member of the Mattapoissett Police Department and we certainly want to thank you not only in the name of the Board of Selectmen but also for all the inhabitants of Mattapoissett.

Our best wishes in your future endeavors.

The Beetle Cats followed the same course as the Corinthians.

Phil McCarthy in Wolf was first at the start, with Jimmy Barnes in Gay-Lee-Ann II second and John Ross' Happy Too third. After crossing the line Sue McGowan in Hep Cat II tacked to get clear air as did Barnes and Ross later.

At the first marker the line-up was as follows: Barnes, first; Ross, second; and Sue McGowan, third. They held these positions to the finish.

The Corinthian winners were Iterate, skippered by Fred Klein, and Billy Mee's Irish Eyes. Sue McGowan in Hep Cat II and Jimmy Barnes in Gay-Lee-Ann II shared the honors for the Beetle Cats.

The course for the first Corinthian race went to Sunken Ledge Black Can 5, to Crescent Beach MYC guide buoy, to Barstow Rock Red Nun 6 and back to finish.

Steve Ruel's Lulu followed Fred Klein's first place Iterate over the finishing line by 30 seconds. Billy Mee in Irish Eyes came in third.

In their second race, the Corinthians sailed to Sunken Ledge Black Can 5, to Barnard's Wharf MYC guide buoy, to Mattapoisett Neck MYC guide buoy and back to finish.

Billy Mee's Irish Eyes led the seven-boat fleet to victory, with Art McLean's Demo second and Fred Klein's Iterate third.

The Beetle Cats, in their first race, followed a course, starting at the Ned's Point MYC guide buoy, to Mattapoisett Neck MYC guide buoy, to Crescent Beach MYC guide buoy, to Barstow Rock Red Nun 6 and back to finish.

Sue McGowan in Hep Cat II led at the start and kept the lead throughout the course.

In their second race, the Beetle Cats sailed to Sunken Ledge Black Can 5, to Barnard's Wharf MYC guide buoy, to Mattapoisett Neck MYC, and back to finish.

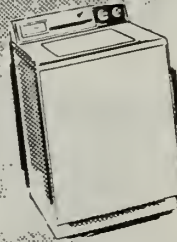

In this race, the lead changed hands several times. Jimmy Barnes was first over the starting line. Harvey Pentleton overtook him at the first marker and kept the lead throughout the second leg, with Barnes close behind and Sue McGowan third. On rounding the last marker their positions shifted, bringing Barnes out front to win first place by three seconds over Sue McGowan. Pentleton came in third.

STREET NAMED AFTER MRS. HAMLIN

The friends and relatives of the late Mrs. Charles S. Hamlin of Mattapoisett and Albany, New York, a summer resident here for over sixty years, will be pleased to know that a new street near Ned's Point Road is to be named in her memory. Mr. and Mrs. Hamlin lived in the large house just north of the lighthouse and close to the harbor. Hamlin Street, near her former home, will honor, also, the memory of Mr. Charles S. Hamlin who, over the years, together with his wife, devoted much time and thought

and energy to that which would improve life in this community. They helped found the Mattapoisett Improvement Association, and helped secure electric light and telephone services, garbage collection and sewerage system for this village. Years ago Mrs. Hamlin helped set up a dental clinic for the children here.

The Hamlins were friends of the Woodrow Wilsons and the Franklin Roosevelts who were guests at the Hamlin's estate. At the time of the Pearl Harbor attack Mrs. Hamlin was a guest in the White House.

That Mrs. Hamlin loved Mattapoisett and its residents can clearly be seen in her account of her life here, "Chronicles of Mattapoisett from 1900 on", a copy of which is in the local library. Mattapoisett remembers thankfully this intelligent, benevolent and gracious lady.

INSTALLATION OF OFFICERS

Mattapoisett Grange will have an open meeting Thursday night for the installation of the 1969-1970 officers. The friends of the members are welcome to come and witness an impressive ceremony by Deputy Alton Bailey and his suite. It will start at 8 P.M., followed by a social hour.

DOG DAYS CAN BE HAPPY DAYS IF YOU GIVE YOUR DOG EXTRA CARE

It's that time of year again...when Sirius, the dog star, is brightest in the heavens...and, on earth, man and his best friend must endure the summer heat.

Summer can be an intolerable experience for your dog, but with a little extra care the "dog days" will be happy days. Here are a few tips to brighten up Fido's summer:

Grooming and Exercise

Many dogs shed in the spring, others near the end of summer or fall, most shed continuously. Daily grooming of your dog will help to keep his coat glistening and remove hair mats and external parasites. Clipping is generally not recommended for long haired dogs. Their hair acts as insulation, protecting them from the sun's scorching rays. Exercise should be limited to the cool of the early morning or late evening hours.

Bathing

When a bath becomes necessary, bathe your dog in lukewarm water, less than 100 degrees, which is close to his body temperature. Use a special deodorant soap or dog shampoo, such as Purina Dog Shampoo. Keep the lather away from eyes, mouth and ears. Be sure to rinse all the soap out of the coat before drying. After the bath, dry him thoroughly with a towel to re-establish the insulation blanket in his fur.

Dog House

If your dog has a "home" of his own, consider these points. A light-colored dog house will be several degrees cooler than a dark-colored one. Shade and adequate ventilation are important. If trees do not provide enough natural shade, cover a portion of the run or kennel with canvas, plastic, plywood, or snow fence. Excessive moisture or dampness can cause a host of troubles.

Skin Problems

In summer, fleas, ticks and lice can irritate your dog's skin. Flies can also cause problems. Awareness is important. If you detect parasites, apply Purina Dog Powder liberally to the skin, or bath with Purina Dog Shampoo. For further control of ticks, fleas and lice, apply powder to sleeping and bedding quarters. Many skin problems in dogs are commonly known as "summer eczema." The control of parasites, proper nutrition and the protection from contact with specific plants will eliminate the majority of dermatitis conditions encountered in the summer. Hormones, drug treatments and good sanitation can control most of the remaining problems. If skin problems occur, take your dog to your veterinarian immediately for diagnosis and treatment.

Feeding

Good nutrition is always of prime importance, according to Dr. Jim Corbin, director of the Purina Pet Care Center. "However," Dr. Corbin says "don't be alarmed if your dog's food intake drops off during the summer. In the summer months, dogs do not normally use up as much energy, hence do not require as much food." Shelf-feeding of dogs is an easy and convenient way to feed during the summer months. Dry food does not sour and can be left out all times. Also, dry feed does not attract insects as readily as moist feed. Normally, dogs will consume only enough dry feed to keep themselves in good body condition. Ample amounts of good, clean fresh water should be available at all times.

Thus, with a little extra care, you and your pet can enjoy the summer months. And, the "dog days" will be a thing of the past.

OPENING AT GALLERY IN MARION

Another opening at the Cecil Clark Davis Gallery in Marion will take place on Friday evening, August 29th, at 6 P.M. A "one-man show" of acrylics and collage by Brooks Kelly will be the feature.

Brooks Kelly was born in Boston in 1935 and now makes his home in Pembroke, Massachusetts. He is a graduate of Carnegie Institute of Technology in Pittsburgh, and has also studied in Europe. He has a bold and authoritative approach and style of actual subject matter which he refines into essentially abstract patterns.

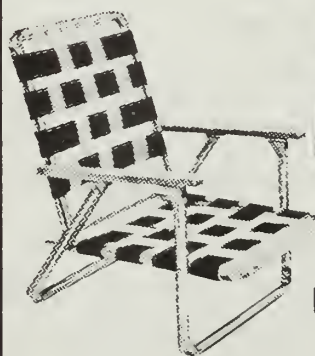

Kelly's work has been exhibited in the Boston Arts Festival, Rhode Island Arts Festival, DeCordova and Eastern States Expo. He has also won prizes in the South

Shore Arts Festival, Scituate, and Cape Cod Art Association, and at the Copley Society of Boston.

The gallery invites all members to attend this special opening, and reminds the public that the gallery is now open Tuesday thru Sunday, 1 to 5 P.M.

Letters to the Editor

LETTER TO THE EDITOR

May I, through your paper, express my appreciation to the residents of the town who, on my behalf, signed a petition to the Selectmen, and attended the Selectmen's meeting last week.

It would be silly to say that I am not deeply touched at these signs of their approval of my services over the past fifteen years. It was difficult for me to decide to resign from the Police Department, and I did so with deep regret.

My thanks to one and all.

Norman Soares

LETTER TO THE EDITOR

On August 19, 1969 many residents of Mattapoissett presented a petition signed by some 80 or more citizens asking for the reinstatement of Norman Soares to the police force with the rank of sergeant.

When Mr. Soares was asked by the selectmen in their office to reconsider his resignation as a patrolman, he declined, however emphasis should be placed on the words "in their office" and "as a patrolman".

It was asked if Soares couldn't be rein-

stated as a sergeant at the petitioners' meeting which brought the answer from the chairman of selectmen that there were already three ranking officers, one for each shift with no room for a second sergeant. Apparently, these three superiors work seven days a week or 365 days a year. Also it is confirmed that three selectmen were elected, however possibly the other gentlemen had laryngitis.

Previous newspaper articles advised that Soares had given no reason for his termination. However, he was not asked this or anything else by selectmen before the assembly of petitioners who unintentionally forgot to request that Norman Soares be present before them and the selectmen and questioned then and there as to his reasons for resigning.

To allow such a policeman to resign, without question of the man himself, after the taxpayers have paid for much of his schooling, and gained the benefit of his 15 years

dedication had all had a hand in its creation. Therefore, it was a great satisfaction to see the result. Mrs. Earl Master-son, president of the Historical Society, welcomed the gathering and introduced her vice-president, Mrs. Harry Locke, who will take over for Mrs. Masterson when she leaves for England, where her husband is presently employed. She introduced the past presidents of the group and Mattapoi-sett Selectmen David Haley and John Field. Mr. Haley was asked to say a few words and he praised the efforts of the Historical Society. Through their work, he said, chil-dren have a link with the past that otherwise would be lost. The farm implements and the tools of their grandfathers spoke graphically of the era that is past and hard, honest toil of that time. Mr. Haley said that Mrs. Haley, a teacher at Center School, has brought a class to the museum and that most had never seen these farm tools which were in common

Carriage House had an atmosphere that actually took one back into history. This atmosphere, he said, gradually was absorbed by anyone in close and frequent contact. He said that a museum should be far more than just a depository for valued objects. It should be a living part of the community. To accomplish this, actual rooms from the past had been recreated as if the owners had just laid down their work and walked out for a moment. Mr. Mendell expressed the hope and confidence that the Carriage House would

contribution that volunteer young people had made to the building by working there throughout the summer. Benjamin and Jeffrey Dunn, Donald Betts, Mark Harris, Alan Hickey, Gail Roberts, Richard Helfand, David Kelly, David Covill and Scott Atkinson have worked at the museum this summer. They have helped set up the new exhibits, cleaned and arranged the tools and wagons and guided people explaining as they go.

RABIES SHOT - LAST CALL

Dog owners in Mattapoisett have another ten days to sign up for the Rabies Clinic to be held this Fall. The owners who have already signed up will be placed first on the list when shots are given. The charge will be substantially less than the regular charge for a visit to the Vet so, to protect your dog at a very small fee, sign up without delay.
